PRYOR FIELD AIRPORT AUTHORITY
LEAD LINE SERVICE TECHNICIAN
(Second Shift Opportunities Available)

Full-Time / Non-Exempt

Hours

40 hours per week

Pay Range

$23.00 - $28.00 per hour (Pay based on experience, leadership ability, and aviation background.)

Position Overview

Pryor Flight Center is seeking motivated and experienced aviation professionals to serve as Lead Line Service Technicians. One position is anticipated for First Shift for Second Shift.

This position serves as the shift leader for line service operations and is responsible for maintaining safe, efficient, and professional Fixed Base Operations while providing exceptional customer service. The Lead Line Service Technician will train and mentor new employees, motivate team members, reinforce safety standards, and serve as a resource for operational questions during their assigned shift.

The successful candidate will lead by example, foster a positive team culture, and help develop the next generation of aviation professionals at Pryor Flight Center.

This position reports directly to the CEO until a GM of FBO is filled.

Leadership Responsibilities

- Serve as the lead employee during assigned shifts.
- Train, mentor, and onboard new Line Service Technicians.
- Provide coaching and guidance to team members.
- Promote a culture of safety, accountability, professionalism, and customer service.
- Ensure Standard Operating Procedures are followed consistently.
- Assist with employee development and identify opportunities for additional training.
- Communicate operational concerns and recommendations to management.
- Lead by example through work ethic, appearance, attitude, and customer interaction.

Operational Responsibilities

• Fuel, marshal, tow, and park aircraft.
• Perform fuel quality control inspections and maintain required documentation.
• Conduct airport and equipment inspections.
• Assist with routine airport and facility maintenance.
• Operate forklifts and support cargo operations.
• Dispatch trucking operations as required.
• Respond to after-hours customer service needs.
• Maintain a safe operating environment for customers, tenants, and employees.
• Perform other duties as assigned.

Requirements

• High School Diploma or GED required.
• Aviation, airport, military, or customer service experience required.
• Prior leadership, training, mentoring, or supervisory experience preferred.
• Equivalent combinations of experience, demonstrated performance, and leadership potential may be considered.
• Strong customer service and communication skills.
• Ability to work independently, make sound decisions, and lead by example.
• Valid Driver's License required.
• Must pass required drug screening.
• Must complete NATA Safety First and Forklift Certification within six months of employment.

Physical Requirements

This position requires working outdoors in all weather conditions and regularly standing, walking, bending, climbing, lifting, towing aircraft, and operating equipment. Employees must be able to lift and move up to 50 pounds.

Benefits

• Retirement Systems of Alabama (RSA)
• Health Insurance
• Paid Time Off
• Paid Holidays
• Professional Development Opportunities
• Advancement Opportunities

Internal Opportunity

Current Pryor Field Airport Authority employees are encouraged to apply. Internal applications will be accepted through June 30, 2026, at 5:00 p.m. Following the internal application period, the Airport Authority reserves the right to open the position to external candidates if necessary.

Application Information

Interested applicants should submit a resume and letter of interest to:
