PRYOR FIELD AIRPORT AUTHORITY

LINE SERVICE TECHNICIAN

(Shift Opportunities Available)

Employment Status: Full-Time / Non-Exempt **Hours:** 40 hours per week

Pay Range: $17.00–$21.00 per hour (Pay based on experience, qualifications, and aviation background.)

Position Overview

Pryor Flight Center is seeking motivated, dependable, and customer-focused individuals to join our team as Line Service Technicians.

This position is responsible for providing safe, efficient, and professional aircraft ground handling services while delivering exceptional customer service to pilots, passengers, tenants, and visitors.

Line Service Technicians play an important role in the daily operations of Pryor Flight Center and Pryor Field Regional Airport. The successful candidate will demonstrate a strong work ethic, attention to detail, a commitment to safety, and a willingness to learn and grow within the aviation industry.

Prior aviation experience is preferred but not required. Training will be provided to qualified candidates.

This position reports to the assigned Lead Line Service Technician and FBO management.

Operational Responsibilities

- Fuel, marshal, tow, park, and secure aircraft in accordance with established procedures.
- Perform fuel quality control inspections and maintain required documentation.
- Assist with aircraft arrivals, departures, and ground handling services.
- Operate ground support equipment safely and efficiently.
- Conduct routine airport, ramp, and equipment inspections.
- Assist with routine airport and facility maintenance.
- Operate forklifts and assist with cargo handling operations.
- Support trucking dispatch and cargo operations as required.
- Assist with after-hours customer service needs when scheduled or assigned.
- Maintain clean, organized, and professional ramp, hangar, and operational areas.
- Provide exceptional customer service to pilots, passengers, tenants, and visitors.
- Follow established Standard Operating Procedures and safety requirements.
- Communicate operational concerns, equipment issues, and safety hazards to supervisors.
- Work cooperatively with other team members to ensure efficient daily operations.
- Perform other duties as assigned.

Requirements

- High School Diploma or GED required.
- Aviation, airport, military, or customer service experience preferred but not required.
- Strong customer service and communication skills.
- Dependable, punctual, and willing to work as part of a team.
- Ability to follow instructions, established procedures, and safety standards.

- Willingness to learn aircraft handling, fueling procedures, and ground support operations.
- Ability to work independently and exercise sound judgment.
- Valid Driver’s License required.
- Must pass required drug screening.
- Must complete NATA Safety First and Forklift Certification within six months of employment.
- Ability to work assigned shifts, including evenings, weekends, and holidays as operational needs require.

Physical Requirements

This position requires working outdoors in all weather conditions and regularly standing, walking, bending, climbing, lifting, towing aircraft, and operating equipment. Employees must be able to lift and move up to 50 pounds.

Benefits

- Retirement Systems of Alabama (RSA)
- Health Insurance
- Paid Time Off
- Paid Holidays
- Professional Development Opportunities
- Advancement Opportunities
